Terrin Munandi

BSc (Hons) Architecture

The section shows the Market space will be situated on the ground floor where the market space and kiosk owner will be held, the first floor will hold a street food area where the community can come together and eat together, lastly on the top floor will hold a bar and a karaoke space for entertainment, allowing the space to meet to the Needs of everyone and allowing more people from outside of the Jewellery Quarter to have a reason to come to the space for entertainment reasons.
