

[www.theskodaestellestory.com](http://www.theskodaestellestory.com)

I created this website about the Skoda Estelle for my major project. It features articles about the road and rally car, including stories based on an interview with former Skoda rally driver John Haugland. If you're a Skoda nut or just a fan of classic cars who's intrigued by the boxy Czech saloon that is the Estelle, this website is for you.
