

'Virtual' Geneva Motor Show - The Big Reveals

www.petrolhead.blog/2020/03/05/virtual-geneva-motor-show-the-big-reveals/

Despite a planned trip to the 2020 Geneva Motor Show not going ahead after the event was cancelled, I was still able to contribute to a live blog covering the virtual car launches that took place instead. I also co-presented a podcast and wrote two extended articles (including the one you see [here](#)) about the 'virtual' show.
